

Wednesday Warrior!

May 17, 2017

Principal Message:

We are very proud to share that 8 of our students participated at [Skills Alberta](#) [[@skillsalberta!](#)] last week in Edmonton. Our 3d animation team won silver, Architecture team won bronze and Graphic Design won gold!!! We would like to wish the best of luck to our recipients going to Nationals in Winnipeg next week – well done!

Next Tuesday, we are looking forward to the **Graduation Ceremonies** that will take place at the Stampede Corral at 9:30am. Today, we had the opportunity to go through the rehearsal with the grade 12s and also distribute the graduation gowns and stoles. Please review the key messages that we shared with the students – we hope that they are well informed after today's practice and are excited to celebrate their achievements with their peers, family and friends.

Finally, we would like to acknowledge our **partnership with Cobs Bread**. This year, Cobs has teamed with HWW to donate their baking to us once a month. This donation is then shared with our students and is much appreciated by many of our community who are able to take the bread and baking home to share with their families. We would also like to acknowledge our School Council volunteers who have been picking up the baking and bringing it to school. We couldn't do this without you!

Have a good week!

Michelle Howell
Principal
