

# IB Diploma Programme IBDP - Scheduling

Programme Pathways at Henry Wise Wood High School have been recently developed in an attempt to provide students with easier access to the IBDP, thus allowing for increased IBDP students.

Students intending to take the IB Diploma Programme (IBDP) at Henry Wise Wood must choose a *Programme Path* in Grade 10, and follow this path to achieve their Diploma. All students are required to take English HL, Chemistry HL, History SL or HL, and Math SL or HL due to the nature of the IBDP, but every student in the would have the choice between 5 *Programme Paths*:

- Life-Sciences IB (2 IB Sciences with Chemistry Biology)
- Engineering IB (2 IB Sciences with Chemistry and Physics)
- Humanities IB (2 IB Humanities with History and Philosophy)
- Visual Arts IB (IBDP with a Group 6 Visual Arts Course)
- Film Studies IB (IBDP with a Group 6 Film Studies Course)

Within each *Programme Path*, all students have:

- The choice of an IB Language to be made at the start of Grade 10. Either:
  - French ab initio SL IB **OR**
  - Spanish ab initio SL IB **OR**
  - Chinese ab initio or SL at the Chinese Academy **OR**
  - Mandarin ab initio or SL at the Chinese Academy
- The choice of between Math HL IB or History HL IB to be made by the end of Grade 10.

It is possible for students to switch their *Programme Path* until the end of Grade 10. The *Programme Paths* and their respective schedules are detailed on the following pages.
