

Wednesday Warrior

October 17, 2018

We are looking forward to our *Parent-Teacher Interviews* tomorrow. IPP's will be ready for families to pick up in the main office by 11:30am. We ask that you come early to review the IPP prior to your interview.

Halloween Costumes

A reminder to parents to review the following with their student regarding costumes:

- No masks- we need to see our students faces
- No weapons of any kind – guns, swords, etc.
- Costumes that are offensive
 - Inappropriate Slogans, Symbols etc.
 - Unsuitable Clothing – please follow the dress code.

Canada's cannabis laws have changed as of today, and changes to the employee code of conduct and student code of conduct administrative regulations to align with this legislation.

As per the previous e-mail that was sent out earlier this week, the CBE has adjusted our regulations, our expectations for students remain the same. Cannabis use at school is unacceptable as per the student code of conduct. This includes students 18 years of age and older.

Additionally, all CBE schools and properties are *smoke-free environments*. This includes smoking, vaping and other forms of inhalants.

If a student is required to use a prescribed medication including medical marijuana during school hours, the parents, student and school must follow the steps outlined in AR 6002, Student Health Services.

Have a great week,

Michelle Howell
Principal
