

## Wednesday Warrior

October 24, 2018

We would like to congratulate our athletes and scholars for making us proud while representing HWW. Last weekend, both of our girls volleyball teams won GOLD! They also won their games last night against Pearson, so they remain in first place in their division.

Our senior boys volleyball team also did extremely well in their tournament at Lord Beaverbrook. They played in the bronze medal match, and placed 4th in a division 2 school tournament!

Our senior football team won their homecoming game against Centennial with a final score of 33-0! We filled 2 fan buses this year and the stands were packed! Our junior team played Notre Dame last night, and just fell short of a win with a final score of 23-22. We will beat them next time!

We are looking forward to the feeder tournament for volleyball is this Friday October 26th, starting at 2pm in the main gym. We will be hosting John Ware, Louis Riel, Woodman and Fairview.

As for our soccer and cross country teams, despite the terrible weather in September and a lot of rescheduled games, soccer made it to semi-finals and just came up short. Cross country provincials were in Vermillion and a big congrats to Emiliano who competed and represented HWW in this event.

Finally, we would like to congratulate our students who participated in the Model UN conference at Sir Winston Churchill last weekend. The next opportunity will be at the University of Calgary in February.

Have a great week,

Michelle Howell  
Principal
