

Wednesday Warrior

September 19, 2018

We hope everyone is having a good week and thank all of you for attending our *Meet the Teacher Evening* last week. We will be having another opportunity to meet teachers during the 2nd semester on **February 7**.

A reminder that tomorrow, we are looking forward to our Terry Fox Run. We encourage families to consider donating to this great cause to support our 'Toonies for Terry' fundraiser during the assembly tomorrow.

This Friday is our first Non-Instructional Day of the year. In addition to our work supporting IPPs, we will be focusing on developing instructional strategies to support ELL learners. Specifically, teachers will focus on understanding how student literacy is supported in disciplinary classes.

As well, we would like to remind our Grade 10 parents that they are invited to attend our Grade 10 Info Evening next Thursday, September 27 at 6:30pm in room 108. An agenda will be e-mailed shortly.

Finally, we would like to remind parents who have students attending the Career and Technology Centre that should your child be absent, parents are required to phone both HWW and the CTC for accurate attendance.

Thank you so much!

Have a great week,

Michelle Howell
Principal

Important Dates:

Thursday, Sept 20: Terry Fox Run

Friday, Sept 21: Non-Instructional Day

School Updates:

String Lights!

Did you know your lights get broken down into plastic for flip flops and the copper is recovered? Please save your old lights for our annual Christmas Lights campaign. Our school accepts and recycles old holiday lights in partnership with Chinook Elementary School and Recon Metal. In December, please place any string lights and other electric cords into a labelled bin in the front foyer. Also, other metal recycling is available year-round in the big bin in the parking lot, along the football field. We even take old appliances (please set beside the bin and remove refrigerant)! Please recycle your old lights and metals to help our environment and raise money to go to charity. All recycling is weighed and our school gets credit. You can even drop off your own metal recycling and ask for profits to go to our school. Each year, the students decide which charity will benefit from this project. Contact Mrs. Smith if you have any questions: mssmith@cbe.ab.ca

Parking Passes

Student parking passes will on sale for \$40.00 through the Business Office for:

Clubs:

GSA – Gay Straight Alliance Club meets every Monday at lunchtime in room 218. As a peer support networks, the GSA help LGBTQ students overcome feelings of isolation and alienation that are a result of homophobic and transphobic bullying. They empower students as they develop a sense of belonging in their school. The GSA also helps interested students become allies for their LGBTQ peers and provide a safe place to help understand and learn how to offer support.

IB Club – meets every Thursday at lunch in room 218. The IB Club was created to allow IB students (both IB Diploma and IB Course Students) the opportunity to meet weekly and discuss IB related items and interact with other IB students. Mr. Garen, the IB Coordinator, is the IB Club supervisor this year. It is an excellent chance to meet new students and network within the IB community at Henry Wise Wood High School.

Therapy Dog Visits

Chestermere Therapy Dogs Society has again arranged weekly visits to our school. Interactions with animals are known to reduce stress and anxiety for all ages. Audrey and her handler, Amy will be visiting Henry Wise Wood on Wednesday's during lunch time (12:11 pm – 12:45 pm). Audrey is a Bernedoodle (Bernese Mountain Dog / Poodle cross). Audrey is such a sweet girl who is low to non-shedding and is a safe bet for most people with allergies. Be sure to come and say hi to Audrey.
