

## Wednesday Warrior

December 19, 2018

Save the date (and your bottles!) and help raise funds for School Council initiatives! One of the first initiatives in 2019 from the School Council, will be a 'reverse bottle drive' where parents will be asked to drop off all of their bottles to the school on **Saturday, January 12, 2019 between 10am and 2pm.**

We would like to thank Mr. Finkbeiner and our Concert, Jazz Band and Choir for an amazing Christmas Concert. It was a magical evening to celebrate the dedication of our students during this wonderful time of year. We enjoyed having students from Woodman and Louis Riel join us and also thank Mr. Wilson for taking photos of the evening.

Just a reminder, December 21 will be a modified day for students. Please see the following schedule for the day:

**Period 1-9:00-9:42 am**

**Period 2-9:46-10:28 am**

**Period 3-10:32-11:14 am**

**Period 4-11:18-12:00 pm**

We look forward to seeing everyone again January 7, 2019. Please be sure to check the website for the [exam schedule](#). As well, we will be sharing the tutorial and flex schedule for classes in January in our next Wednesday Warrior.

Please accept our very best wishes and enjoy the break. Happy New Year!

***Interested in becoming a fire cadet?*** The program gives high school students a chance to learn and build on the Calgary Fire Department values of Pride, Professionalism, Teamwork and Respect. The program emphasizes these values and also teaches leadership, community involvement, and mentorship. These values are taught in various ways by using fire department training and skills as a medium. Application forms are available now at [www.calgary.ca/firecadets](http://www.calgary.ca/firecadets) and are being accepted until January 30, 2019. For more information, see Ms. Belliveau in room 115.
